Letter no C 6000/40 41 dated 6 8 41 from the Revenue Commissioner in Mysore, requesting for reasons stated to require all the officials borne on the establishment of the Local Boards and Municipalities to pass the Revenue (higher or lower) examination within two years and in the case of permanent officials not to allow the increments until they pass this examination unless exempted

Flag K

1) Under the existing arrangements, officials may be transferred from the Revenue Dept to the local bodies and vice-versa For the officials of the Rev Dept, the Rev Examination is an obligatory qualification just as L S G examination is for the officials of the local bodies Requiring the officials of the local bodies to pass the Revenue exams, in these circumstances quite necessary At the same time, the officials of the Rev Dept should also be required to pass the L S G examination as otherwise it would be be difficult to find officials for being transferred to local bodies It is therefore necessary to make both Rev and L S G examinations

obligatory to the officials of the Revenue and local bodies

a) The Rev Branch may be consulted on this proposal in the first instance, it may perhaps be ascertained from them whether for these posts whose nos have been sent to the Dists & Dist Bds Revenue officers have passed the L.S.C. Examination also (vide p. 6 of R) A

3) According to the G.O. of 1934, the officials of the Dist and Dist Bd offices are required to pass the L.S.C. examination. This is quite reasonable and sound F

4) According to the G.O. of 1935, these officials are required to be transferred at least once in 3 years. They may be transferred either to the Rev Dept if they are duly qualified or if not, to other Dist Boards. This is also a wholesome rule K

5) The Rev Comr now proposes that these officials may be required to pass Rev examinations also to facilitate transfers of officials from the Dist Bds to the Rev Dept. If this method is followed many officials of the Rev Dept who are transferred to the L.S.G. Dept should be required to pass the L.S.G. examinations so that they may be useful in their sphere of work.

1) The Rev Comr has reported that 85% of the officials on the establishment of the local bodies have not passed the Revenue exam^n and are, therefore not qualified for appointment in the Rev dept., causing thereby some difficulty for mutual transfers in the said depts. He has accordingly requested to relax the rules in this behalf (so as to allow the transfer of officials from local bodies to the Rev dept & the officials who are transferred to the Rev dept being required to duly qualify themselves for appointment in the latter dept by passing the Rev Exam^n within two years after their transfer, unless exempted in the circumstances explained by the Rev Comr, the above suggestion may perhaps be approved

2) With regard to the officials who are transferred from the Rev dept to the Local Bodies, it may be noted

13) The present proposal is that the rule contained in para 3 (iii) of G O d 23 10-35 may be modified so as to enable transfer of the officials of the Local Bodies to the Rev Dept, even though they have not passed the Rev Exam^n, requiring them however to pass the same within two years of their transfer, and this is intended to facilitate free inter change of officials from the Local Bodies to the Rev Dept and vice versa

and one of the conditions laid down for the interchange of Peons between the Revenue Deptt & the Distt Boards is as follows:-

"Peons whose services are not lent from the Revenue Deptt but who are redressed & separated by the Distt Board & who have been in the same place for one three years should, if duly qualified, be taken over to Govt service & if not so qualified, they shall be transferred to other Distt Boards under (1) above"

1) all Peons borne on the establishments of the Distt Boards & who have not completed 45 years of age should be required to pass the Revenue (Higher standard) Examination within two years of their transfer to the Rev Deptt and

1) all officers borne on the establishments of the Distt Boards & the Subs are below 45 years of age should pass the Revenue Examination (Higher or Lower) within two years of their transfer to the new deptt If they should not be allowed increments until they pass the said examination unless exempted

Sir,

I have the honour to state that under the existing orders, recruitment to the clerical staff of the District Boards and the City Municipalities should ordinarily be made by taking the loan of services of officials of the Revenue Department for periods not gererally exceeding three years at the end of which they should either be withdrawn to the general line or transferred to other local bodies Government order No L 2908/28/Ml 172-33-25 dated 23rd October 1935, lays down that the officials who are not lent from the Revenue Department but who are directly recruited by the District Boards and who have been in the same place for over three years should, if duly qualified, be taken over to Government service and if not so qualified, they should be transferred to other district Boards The subjoined statement shows the number of clerks borne on the establishment of the several District Boards and the two City Municipalities and the number of clerks who have passed the Revenue examination

	No of clerks	No of clerks who have passed the Revenue examination

I find that more than eighty-five percent pf the officials have not passed the Revenue examination and are, therefore, not duly qualified, for appointment in the Revenue Department This has rendered the periodical transfers of officials from the local bodies to the Revenue Department very difficult In order to facilitate interchange of officials from the Revenue Department to the local bodies, and vice-versa it is essential that a pass in the Revenue examination should be insisted upon even in the case of officials borne on the establishment of the local bodies I, therefore, recommend that all officials borne on the establishment of the District Boards and the Municipalities and who are under 45 years of age should be required to pass the Revenue (Higher or Lower) examination within two years, and in the case of permanent officials they should not be allowed increments until they pass the examination, unless exempted
